

25 June 1953

MR. AMORY:

*Better report to Cabell*

25X1A9a

1. I have changed your appointment with [REDACTED] to 11:30. You are scheduled to attend a meeting in Gen. Cabell's Office right after the Deputies' meeting to discuss intelligence information contained in DD/P cables - which we do not receive. See two page draft in your "IN" box regarding Cables.

3. [REDACTED] of O/RR called regarding the project [REDACTED] is working on. He would like to know:

- Has the publication of 200 copies been verified? (They will discuss the exact dissemination with this office later.)
- Has authorization been given for overtime work by Graphics and Reproduction inasmuch as they are not under jurisdiction of O/RR?
- What is the deadline for the project?

25X1A9a

d. How many copies do you want?

[REDACTED] is on extension 3418.
